

Dog grooming services

The grooming products that we use are all natural, ethical, and Cruelty Free Certified brands.

Using aromatic blends of essential oils, as well as vitamin E, pro vitamin B5, wheat protein, oatmeal, argon oil, aloe juice and a vegan alternative to Keratin, our professional conditioning shampoos are free from alcohol, parabens, soaps and dyes.

Our grooming products are made with pH-balanced formulas that are kind to the skin and coat, leaving dogs looking wonderful, feeling fabulous and smelling great!

The Full groom
