

Dog Day Care

Our day care service is run by our highly trained dog walkers and is aimed at well socialised dogs that require more time, attention, stimulation and play time throughout the day.

How does it work?

Your dog can either be dropped off to us at our local shop, ready for our walkers to take from here or they can be collected by our walkers from your home. Your dog will be walked for the allocated time requested and returned either to our shop ready for collection or returned to their home.

What's included?

Your dog will be exercised in our local parks and woodlands for up to 4 hours throughout the duration of the day, with breaks and play time included. This service is only suited for well socialised dogs that require plenty of exercise, stimulation and attention throughout the day time.

Cat/small animal feeding visits

This service is ideal for pet's who require feeding over small periods of time or those who are nervous who would prefer little interaction whilst their owners are away.

How does it work?

Our trained pet carers will visit your pet at your home and follow the routine set out from our initial consultation. Our pet carers are fully insured and trained to a high standard giving you peace of mind that your pet will be cared for as if they were our own.

What's included?

We will socialise, feed and water your pet, clean out litter trays, administer medication if required and generally ensure your pet is healthy and happy whilst in our care. We can also put out your bins for collection and water the plants for you.

Pet Sitting

How does it work?

One of our trusted pet sitters will stay at your home and continue to give your dog the same walks, feeding, play time, love and affection that your dog is used to. Along side this, your home will remain a protected place in your absence with our pet sitters present.

What's included?

Our pet sitter will stay at your home with your pet for the duration of the service. We only leave your pet at home alone for 9 hours out of each 24-hour day, and never more than 4 hours at any one time, to ensure a well-balanced daily routine.

For example:-

Your pet sitter will arrive at the arranged time, stay overnight, walk between 7:30-8:30, leave alone for 4 hours, visit between 12:30-1:30, leave alone for 4 hours, walk and feed between 5:30-6:30, leave alone for 1 hour, return to stay for the evening by 8pm.

If you're pet requires some extra time, visits or walks included in their pet sit, please contact us to discuss a more detailed service and get a quote.
